Well Done: Did not interrupt and allowed time to express thoughts fully	-	87.5%	14
Total			16

NB: If don't set "points" for the items, the histogram will show as red. Any option with point values, will have a green histogram.

5) Would you like to review how EACH of your learners did in terms of their “scores” for each competency (skill area), scenario, and/or across the whole OSCE?
